

Through the art of perforated metals and modern lines, these easy-to-install kits accommodate different mounting configurations, depending on your needs. No matter which model you choose, you are guaranteed a simple, beautiful and cost effective solution with KC2200.

KC2200 Series

Sophisticated styling in an indirect luminaire. The KC2200 Series offers a wide, even, indirect illumination, providing extraordinary visual comfort in the contemporary open office environment, with styling to enhance a lobby or highlight a public area. Perforated reflector panels with soft white in-lay provide a distinctive, contemporary look and allow an identifiable source of light for visual comfort.

Accessories and Options:

Perforated metal reflectors and baskets are made of cold rolled steel. Perforated metal parts are post painted with a durable baked polyester powder coat. Each piece is formed by our state-of-the-art multi-radii machine for consistency.

KC2200 Direct / Indirect Series — Alveus

KC22WIPB2	KC2225 White 2' Indirect Perforated Basket Assembly
